LINDBERGH ULTIMATE 2026 SEASON LETTER TO FAMILIES

INTRODUCTION

Welcome to a new Ultimate season! We're excited to get started and introduce ourselves. Coaching the girls' team are Taylor ("T") Quinn and Jordan Ellis, while Casey Brooks and Morgan Blake are leading the boys' team. For some of you, this isn't your first season, and we've had the pleasure of seeing you at past games. For others, this may be your first experience with the team, and we look forward to meeting you and sharing this exciting journey together!

MANDATORY PARENT MEETING - WEDNESDAY, FEBRUARY 25TH AT 7 PM

We're kicking off the season with a mandatory parent meeting on Wednesday, February 25th at 7 PM in Coach Blake's room (206) at Lindbergh High School. This is an important opportunity for families to meet the coaches, connect with booster club members, and complete the official registration process for their players. We'll also cover key details about the season, so we strongly encourage at least one parent or guardian to attend. See you there!

Attached is more information regarding communication, schedules, and most importantly: the medical waiver.

URGENT: Without the MEDICAL WAIVER, your child MAY NOT practice with the team, so they must have that turned in by their first day of practice.

SO, WHAT IS ULTIMATE?

Ultimate is a fast paced sport played on a field similar to football or soccer. Teammates work together to pass the disc and advance it into the other team's endzone. Ultimate is noncontact, and uniquely has no referees. The players themselves are responsible for officiating the game through a code of conduct called "Spirit of the Game." For more information please visit https://www.usaultimate.org/about/

SPIRIT OF THE GAME (SOTG)

SOTG is what separates ultimate from nearly every other sport, and this code of conduct is used even at the absolute highest levels of national and international competition. Due to ultimate's self-officiating nature, coaches must educate their players on numerous real-world meaningful skills, including:

- Clear verbal communication
- Deep knowledge of complex rules
- Respecting differences
- Overcoming failure
- Navigating conflict
- Calming emotions
- Celebrating opponents' successes
- Prioritizing respect, fair play, sportsmanship, and kindness

Thank you so much for your support, time, and energy! Please feel free to contact us with any questions or concerns.

Sincerely,

Taylor "T" Quinn - Girls Coach (taylor.quinn@example.com)
Casey Brooks - Boys Coach (casey.brooks@example.com)
Morgan Blake - Boys Coach (morgan.blake@example.com)
Jordan Ellis - Girls Coach & Booster Club President (jordan.ellis@example.com)
